

Mastering the Art of Instrument Navigation IMC Club Monthly Meeting

The IMC Club Stuart Chapter is hosting a meeting for two guest speakers. Joe Stewart, Aviation Regional Sales Manager Garmin International, and Harold Wilke, director of avionics sales from Precision Jet. They will be doing some Garmin avionics demos and also provide our group with information about any new Garmin product line that be of interest to our group. To assure a wider audience of pilot participation, we are inviting several other local pilot groups to this event.
